

Checking information

- 1 **2.6** Molly is talking to her friend James about his laptop. Listen and point to the correct answers. Then listen again and check.

- Molly This is your laptop, ¹isn't it/doesn't it?
 James Yes, it is.
 Molly It's really nice. You got it for your birthday, ²did you/didn't you?
 James No, I didn't. It's an old one.
 Molly Sorry, ... you're doing your homework, ³wasn't you/aren't you?
 James Well, no, I'm not. The computer isn't working. Look.
 Molly Oh dear. You switched it on, ⁴didn't you/doesn't you?
 James Yes, of course!
 Molly Hmm. Let's try switching it off and then on again. That sometimes works.
 James Yes, but not today.
 Molly OK. ... How about pushing this button? ... No. Nothing. Hmm. It isn't working, ⁵is it/isn't it?
 James No, it isn't!

- 2 **2.7** Listen and repeat.
