My name is Serena Williams. I'm an American tennis player. I'm 40 years old. I love playing tennis. It's my favourite sport!. To be a professional tennis player you need to practice a lot and do exercise.

When I play tennis, I wear a shirt, shorts, and trainers. I need of course a racket and a tennis ball. I don't wear a suit or a helmet. I don't need a harness either. So you don't need so many things to play tennis.
