

my favourite sport

My name is Jordan and I am 14 years old. I'm very fond of sports. But my favourite sport, as you can see, is basketball. I play basketball at school, at home, at the park, everywhere!

I have been playing basketball since I was eight and have always wanted to be a professional basketball player. I am a big fan of Shaquille O'Neal, in fact, he is my favourite player.

I'm in the school team and we train three days a week, on Mondays, Wednesdays and Fridays. We have matches every Sunday. From time to time, we have tournaments with other schools and it is quite exciting.

In my free time I like reading and playing computer games.

I dream of one day having a successful career as a professional basketball player!
