### What a room! What a view!

In the picture I can see an unusual kind of bedroom, located somewhere in picturesque high mountains. It has a panoramic view because it hasn't got any walls. Well, you can't even say that you have a (1)  over your head! On the floor there's a double (2)  with white pillows and duvets. There are also two bedside tables and two (3)  so that you can read something when it gets (4) . But why read when you can look at the stars? To me, it all looks like some sort of art project or a practical joke. What do you think?

What you can see in the picture is actually a hotel room. It was the idea of two concept artists and a hotelier from Switzerland. The brand is called 'Zero Real Estate' and (1)  is really popular with tourists who prefer unusual holidays. There's a long waiting list to (2)  a night in a room without walls and a roof. It costs a lot, but you pay for the unique experience of sleeping in a comfortable bed (3)  a starry sky.

3

W parach odpowiedzcie na pytania.

1. Would you like to spend a night in this hotel? Why?/Why not?
2. Have you ever stayed in an unusual hotel?
