Przeczytaj tekst o drużynie koszykarskiej Globetrotters. Odpowiedz na pytania.

One of the most entertaining sporting events you can go to is a Harlem Globetrotters basketball match. The Globetrotters travel all over the world so that people can see their amazing shots, and have a lot of fun.

The team was founded in 1926 in the USA. Since then, they have played over 26,000 games and entertained more than 148 million fans in over 120 countries around the world.

The Globetrotters matches are called exhibition games because they combine sport with comedy. They are a professional team – the players are paid and their games are not fixed.

If you are lucky enough to get a ticket, you may be surprised not only by their sporting but also entertainment skills. They like to play tricks on spectators, like throwing water on them or pulling them onto the court. So, if you have come just to enjoy the match, get a seat at the back!

At the end of the show, the Harlem Globetrotter athletes stand politely on the court while excited fans take photographs or get autographs.

1. When and where was the team founded?
2. Where have the Globetrotters played so far?
3. How many games have they played so far?
4. Why are their games called exhibition games?
5. What kind of spectators should choose back seats at their matches?
