In the final chapter, the readers learn that Ben's dreams do come true – he goes to the college and becomes the basketball team captain.
- B. *Ready, Steady, Go* is a novel written by a teenage celebrity – Vanessa Prince. The girl describes the high price she has had to pay for her success. The book may often bring readers to tears, but the most moving part is when Vanessa talks about a car crash in which she was seriously injured. The accident taught her to love others and be thankful for every single day.
- C. *Remember Me* is a story about 17-year-old Richard, an over-confident captain of a football team who changes completely after meeting Sally – a shy girl with a soft heart. In the book, the characters take time getting to know each other, but end up falling in love. However, what makes this ordinary story about teenage feelings worth reading is a very surprising ending.
