WAR ON CANCER

What would you say if you (1) a chance to play a game and help people at the same time? It will be possible if you (2) out a game called *War on Cancer*, released in 2017. It's free to play, but it is also a unique charity: it raises money for people fighting cancer in real life. So, before you (3) the game, you can choose the person that you will support while playing.

The game takes place in a world that looks like the inside of the human body. If you (4) to survive on the battlefield, you (5) to defeat as many cancer creatures as you can, because the monsters attack the organism. An interesting thing is, when you (6) , you don't die, but you just (7) weaker or you have no more ammunition.

From time to time, there are short advertisements, and when you (8) them, some money (9) to the person you chose at the beginning.

This way, cancer patients are true fighters who need our solidarity, not pity. In reality, it's not a game, but a war!
