As you might know yesterday we had a very important day. Yes, I'm talking about our teacher's birthday. I know we all forgot about it so when I later found out that it was yesterday, I was shocked. Actually, I was also very sad, because I thought about Miss Cooper and probably she was sad too. So I thought that we should show her how bad we feel about it and bring her a present. Let me know what do you think about this idea!
