

She Used to Love Me a Lot
Johnny Cash

I saw her through the (1) today
She was sittin' in the Silver (2) cafe
I started to keep going
But something made me stop
She used to (3) me a lot

She looked (4) and I knew the cure
Old memories would win her heart for sure
I thought I'd walk on in
And I (5) it my best shot
She used to (6) me a lot

I sat down beside her and she (7)
She said where have you been it's been awhile
She was glad to see me
I could almost read her (8)
She used to love me a lot

She used to love me with a love that wouldn't die
Looking at her now I can't (9) I said good-bye
It would only take a minute to turn back the (10)
She used to love me a lot

I remember how good it was back then
And I said it's not too late to start again
We could spend a night together
Take up where we left off
She used to love me a lot

But I panicked as she turned to (11) away
As she went out the door I heard her (12)
Yes I'm in need of something
But it's something you ain't got
But I used to love you a lot

I thought she loved me with a love that wouldn't (13)
Looking at her now I can't believe she said good-bye
She just left me standing there, I never been so shocked
She used to love me a lot
She used to love me a lot
She used to love me a lot, she used to love me a lot, she used to love me a lot
