Emma's Blog

Do you know what you're going to do when you finish school? I don't. There are a lot of things that I like, but I don't know what job I'm going to do. I read a lot of books and I like writing, I know what's in the news and I'm very outgoing. Some days I think I'm going to be a journalist. But I like Science too. Some days I want to be a scientist. You need to be hard-working to be a scientist, but I'm sometimes lazy. Some days I want to be an artist or a musician, but I'm not very creative... Next year, I'm going to do work experience at my dad's office. He's an accountant, but I'm not going to do that. I'm not good at Maths.

Emma **knows** / **doesn't know** what she wants to do for a job.

- 1 She **hasn't got** / **has got** lots of interests.
- 2 Emma **is** / **isn't** shy.
- 3 Emma **doesn't like** / **likes** Science.
- 4 She **doesn't think** / **thinks** she's creative.
- 5 Emma **isn't going** / **is going** to work with her father next year.
