Transkrypcja

Hi. I've found a place we can stay for two weeks in the summer. It's by a lake in a very quiet area. There's a big garden and the owners say we can have a barbecue there if we want. The only thing wrong with the location is that the nearest shops are about twenty minutes' walk away. No problem if we had a car but quite a long walk. We'll have to use our rucksacks. There are four bedrooms. Three upstairs and one downstairs next to the kitchen. There's a nice living room with a TV in it. I don't think we'll watch that much but it might be useful if it rains. There are two bathrooms with toilets and there's a third toilet outside but I don't think we'll need that except in emergencies. It's probably full of spiders. The owner of the house will be away while we are there but she says that the neighbours are very friendly and will help us if there are any problems. It's £120 each a week which is quite cheap. Let me know quickly what you think as I have to contact the owners before the end of the week.

Dear Sir/Madam,

I found your advertisement on the Internet. I am interested in renting your summer home in Szklarska Poręba.

I am into hiking and taking photos of picturesque places so together with my friends, we would like to rent your place for July. I would be grateful if you could tell me if it is possible and what the rent is. Also, could you tell me if there are any interesting places nearby? I would also like to ask how far it is to the nearest shops.

Please reply soon.

Yours faithfully,

XYZ
