Przykładowa odpowiedź:

Hi guys,  
Here's my grandma's recipe for the best scrambled eggs in the world.

For two people, you need the following ingredients:

- 4 eggs
- ¼ cup milk
- 2 tablespoons butter
- Salt and pepper (as much as you need).

First, break the eggs into a bowl and then mix them with the milk and the spices. Then heat butter in the frying pan. Next, pour the egg mixture onto the pan. Stir the mixture with a wooden spatula. When you see no more liquid, your perfect dish is ready. Serve it on big plates with chives on top and toast on the side.

Enjoy your scrambled eggs - I mean my grandma's yummy scrambled eggs!
